Source of information: Network SIMS Database. Date of Preparation: April 2010

Race: The categories are from the CMS-2728 Form. Diagnosis: Categories are from the CMS-2728. A diagnosis of 'unknown' is ICD-9 code 7999.

This table cannot be compared to the CMS facility survey because the CMS Facility Survey is limited to dialysis patients receiving outpatient services from Medicare approved dialysis facilities.

This table includes 138 patients with transplant therapy as an initial treatment. This table includes 166 patients receiving treatment at VA facilities.
