

Southern California Renal Disease Council, Inc.

ESRD Network 18

The Southern California Renal Disease Council, Inc. is part of the End Stage Renal Disease (ESRD) networks established by the Centers for Medicare & Medicaid Services (CMS). We are contracted by CMS to provide the following service and support to ESRD providers and patients and their families:

Develop standards to improve patient care.

Provide educational resources for patients, families and renal professionals.

Promote Vocational Rehabilitation to help patients remain working or return to the work force.

Support facilities and staff in resolving patient care issues.

Assist in resolving patient complaints.

Collect and report ESRD statistics.

If you would like further information or need assistance, please contact us at:
