

Employment Networks

Employment Networks (EN) are SSA-approved organizations that provide job training and other employment services and support to Ticket-to-Work holders who want to work. Employment Networks may be single organizations, agencies or partnerships of organizations or agencies collaborating to combine resources to serve Ticket holders. Examples of organizations include businesses, state, local and tribal government agencies, One-Stop Career Centers, state Vocational Rehabilitation (VR) agencies, schools and colleges, community and faith-based organizations, and centers for independent living and other disability-related organizations. A list of ENs is as follows in alphabetical order and includes the counties they serve. For more information on the Ticket and ENs, visit www.yourtickettowork.com.
