

# [ESRD Quality Incentive Program](#)

The ESRD Quality Incentive Program was developed to improve patient outcomes by providing incentives for dialysis facilities to meet or exceed performance standards established by the Centers for Medicare and Medicaid Services (CMS). The links below are resources for the ESRD QIP and the ESRD QIP Measures.

**QIP 3.0 Login: [www.quipnet.org](http://www.quipnet.org)**

- Performance Score Reports (PSR): Report providing details on the Facility's Total Performance Score, including clinical quality measures as relate to QIP.
- Performance Score Card (PSC): Certificate released biennially in the Medicare and Medicaid program areas.

**Dialysis Data Login: [www.dialysisdata.org](http://www.dialysisdata.org)**

- Quarterly Dialysis Facility Compare (QDFC): Contains your Facility's Star Rating.
- Dialysis Facility Reports (DFR): Summary of quality in Facility using claims data as the main source. Often used for state surveys for review prior to visiting a Facility. Also used by the Network to select facilities for Network projects.
