

NW18 Disaster and Emergency Contacts

San Luis Obispo

(Updated 4/9/2020)

The County Health Agency Department Operations Center(CHADOC) is the single point of contact for the coordination and allocation of public health and medical resources. San Luis Obispo (SLO) medical and health response partners coordinate resources request and submit Situation and Status “Sit/Stat” reports during an emergency. The San Luis Obispo County Disaster Healthcare Coalition (SLO-DHCC) is a group of healthcare partners that collaborate and coordinate responses during an emergency or disaster.

***SLO-DHCC Instructions for Dialysis Facilities:** When an emergency event impacts or is threatening to impact a dialysis facility, the Medical Health Operational Area Coordinator (MHOAC) should be notified.
