

NW18 Disaster and Emergency Contacts

Santa Barbara

(Updated 4/9/2020)

Santa Barbara County Office of Emergency Management (SBCOEM) is responsible for emergency management and coordination of the Santa Barbara Operational Area (OA). The county emergency services director manages and coordinates the county's overall response to emergency situations.

Instructions for PPE or other medical resource requests:

All healthcare facilities are required to submit a situation report and resource request signature form prior to requesting resources. *

- **Dialysis Situation Report Form:** [Dialysis Centers](#)
- **Resource Request Process:** Please submit one completed resource request signature form for each facility/agency. This form identifies authorized requestors from each organization and takes place of signing for each resource request.
 - [Resource Request Signature Form](#)
 - Submit form to: Logs.ResourceBranch@sbcphd.org

Questions about PPE or medical resource requests contact:

- **Public Health Department Disaster Operations Center (PHD DOC):** Phone: 805-696-1106
Email: operations.medicalbranch@sbcphd.org

For all other requests such as transportation, food, shelter, or utilities contact:

- **Office of Emergency Management:** Phone: 805-681-5526, Fax: 805-681-5592
Email: gem@sbcoem.org

Additional Support can be provided by:
