

Clinical Clarification in CROWNWeb: ESA Sub-Category

*ESA Prescribed

From the drop-down list, select Yes or No to indicate if the patient has a current prescription for an erythropoiesis-stimulating agent (ESA) such as EPO or equivalent.

*ESA Collection Date

This is required (if a value is entered for the previous field). Enter, or select from the calendar control, the date the ESA was prescribed for this patient in the mm/dd/yyyy format.

*ESA Agent Prescribed

This is required (if Yes was selected for ESA Prescribed). Select the erythropoiesis-stimulation agent that was prescribed from the drop-down list.

*Other ESA Agent Prescribed

This is required (if Other was selected for the previous field). If Other was selected for ESA Agent Prescribed, specify the other agent in this box.

*ESA Monthly Dose

This is required (if ESA Prescribed is Yes). Enter the monthly dose of the ESA. The valid format is: N.NN (Dose from entire month should be added up for monthly value).

*ESA Monthly Dose Unit of Measure

This is required (if ESA Prescribed is Yes). Select the units of measure of the ESA (e.g., units, mcg, or other).

*Other ESA Monthly Dose Measure

This is required (if Other was selected in the previous field). Enter the units of measure of the ESA if other than units or mcg.
