

NW18 Disaster and Emergency Contacts

Kings

(Updated 4/9/2020)

The Medical Health Operational Area Coordinator (MHOAC) shall coordinate disaster medical and health resources within the operational area (OA), and be the point of contact (POC) for coordination with the Regional Disaster Medical and Health Coordinator/Specialist (RDMHC/S) Program. The public health department will oversee medical and health operations.

For PPE or other medical resource requests:

- **Complete online form:** [Resource Requests for Medical/Health Facilities in Kings County](#)
